Please tick the relevant box. If a selection is not made then the form will be returned to you.

I/We would like to increase

I/We would like to decrease

The mortgage term by years and/or months

Please note that this application can only be processed for repayment mortgages and any promotional rate period must have come to an end. If the interest rate on your mortgage account changes, then the monthly payment will alter to reflect this amount. However, the capital and term will remain unchanged.

By increasing/decreasing your mortgage term, your monthly payments will be amended accordingly. This will be confirmed in writing to you once this application has been processed.

There is an administration charge of £60 per account for this transaction. Please make cheques payable to Bank of Ireland (with your account number(s) written on the reverse) and return with this form to the address below.

If this is a joint mortgage then all parties must sign.
